Subject: Commencement of Periodic Assessments I

Dear Parents and Students,

This is to formally inform you that the Periodic Assessments II for the current academic session will commence on Thursday, May 14, 2026.

These assessments are a vital part of the continuous evaluation process and help us track the academic progress of our students. We encourage all students to prepare thoroughly and give their best effort.

Key Instructions for the Assessments:

Mandatory Attendance: Attendance is compulsory on all exam days. No re-tests will be conducted for absentees except in cases of documented medical emergencies.

Stationery: Students must bring their own pens, pencils, and other required stationery. Sharing of materials during the exam is strictly prohibited.

We request parents to support and monitor their ward's revision schedule at home to ensure they are confident and well-prepared.

Wishing all our students the very best!

Warm regards,

Examination Department
