

ANNUAL REPORT

(Academic Session 2025–26)

It gives us immense pleasure to present the Annual Report of Lilawati Convent School for the academic session 2025–26.

The report highlights the school's achievements, progress, and significant activities undertaken during the year.

Lilawati Convent School, situated behind Police Chowki, Bilsoori, P.O. Sikandrabad, District Bulandshahr, Uttar Pradesh, continued its journey towards excellence in education with dedication and commitment. During the academic session 2025–26, the school achieved a major milestone with the extension of its CBSE affiliation up to 31st March 2031, reflecting its adherence to the high standards prescribed by the Central Board of Secondary Education.

With the steady increase in student enrolment, the Management and the faculty recognized the need to expand the school's infrastructure. Consequently, additional classrooms and facilities were planned. New construction was done and at present there are 60 well-designed rooms, including spacious classrooms, well-equipped science and computer laboratories, a rich library, administrative offices, activity rooms, and other essential facilities.

The school prepared a comprehensive Academic Calendar to ensure the systematic and effective implementation of scholastic and co-scholastic activities. Our team of highly qualified and trained teachers regularly participated in workshops, training programmes, and capacity-building sessions organized by CBSE to keep themselves updated with the latest teaching methodologies and educational practices.

The school takes pride in the achievements of its students in academics, sports, co-curricular activities, and various competition. In the academic session 2025-26 our Board Toppers were Suhani Chauhan who secured 98% in class X and Sanjana who secured 96% in class XII. Details of academic results, merit holders, awards, and other accomplishments are available on the school's official website.

Environmental awareness remained one of the school's major priorities. Various inter-house competitions, plantation drives, awareness campaigns, and environmental activities were organized throughout the year to encourage students to become responsible and environmentally conscious citizens.

The School is equipped with digital classrooms and a well-stocked library, providing students with a modern and enriching learning environment. Regular Parent-Teacher Meetings (PTMs) were conducted to strengthen the partnership between parents and teachers and to monitor the overall progress of every child.

The school management remained deeply committed to the welfare and holistic development of every student. Through regular counselling sessions, motivational programmes, value-based education, and character-building activities, students were inspired to become responsible, disciplined, and compassionate citizens of the nation.

Throughout the academic session 2025–26, the school remained steadfast in its mission of providing quality education and ensuring the holistic development of every learner. It continued to strive for excellence in academics, sports, co-curricular activities, environmental education, and community participation.

We sincerely express our gratitude to the Management, dedicated staff, supportive parents, and enthusiastic students for their unwavering cooperation and contribution towards the continued success of the school.

Thank You.
